

::Promote children's right

Our approach is to give all children the means to know, defend and exercise their rights.

The child is central to our concerns, and the role of our association is to ensure this in his daily life: that his fundamental rights are respected and heard.

The Convention on the Rights of the Child 1989, ratified by 192 countries is based on the work of the "Tunisian Association for the Defense of Children's Rights (TADCR)".
